Course Benefits

- Prepare leaders to effectively deal with any situation, opportunity, or challenge.
- Teach leaders the skills needed to determine Performance Readiness® among team members.
- Provide leaders with an action-oriented framework to immediately increase the quantity and quality of performance conversations.
- Enhance the work environment with improved performance and teamwork.

A Foundation of Leadership

Situational Leadership®: Building Leaders introduces participants to the Situational Leadership® Model and equips leaders with the necessary tools to skillfully navigate the demands of an increasingly diverse workforce and evolving global marketplace. Widely adaptable to any circumstance, Situational Leadership® skills prepare leaders to meet the moment-to-moment challenges pervasive in today's work environments.

In addition, online or paper-based assessments (LEAD Self and LEAD Other) provide participants with insights into their primary leadership behaviors and the range of styles they tend to act upon.
